

**The Ohio State University
Alumni Club of Greater Cincinnati**

February 14, 2006

Dear Buckeye Backers:

Preparations are being made for the **13th ANNUAL "Greater Cincinnati Ohio State Alumni Classic"** golf outing and dinner to be held on **Saturday, June 10, 2006** at The Crooked Tree Golf Course in Mason, Ohio.

The event, hosted by The Greater Cincinnati Ohio State Alumni Club, is the largest fund-raiser for our university endowed scholarship fund #602730. The dinner portion of the event, also, serves as the annual business meeting for the club.

Participation from loyal *Buckeye partners* has helped us surpass our basic required endowment commitment. But, our responsibility, for the growth and maintenance of the fund continues and will only be possible with the continued, committed partnership of sponsors, donors and event participants.

Buckeye partners are individuals and businesses that support our cause in many ways. Support can be through a cash sponsorship, a donation of products or gift certificates for golf awards and/or door prizes and by participation in the outing or dinner. Any and all support is greatly appreciated and necessary to continue pursuing our objective of supporting students in their academic endeavors with scholarship assistance. **Please see the enclosed form for the various levels of sponsorship and recognition.**

Every sponsor and prize donor will receive, at minimum, recognition at the golf outing, in our dinner program, in our newsletter (circulation of 200+), and on our club website.

On behalf of past, current and future Greater Cincinnati area Ohio State students we look forward to and appreciate your support. Go Bucks!

Sincerely,

Ann Ball
Greater Cincinnati OSU Alumni Classic Chairperson
