OSUAA and OSUMC to co-host free tailgate party for alumni

COLUMBUS, OH - The Ohio State University Alumni Association, Inc. and the Ohio State University Medical Center are teaming up to host a free Buckeye Bash for all alumni prior to the Sept. 3 football game between the Buckeyes and the Miami RedHawks.

This pre-game tailgate will run from 8-11 a.m. and feature appearances by Archie Griffin, Brutus Buckeye, and a performance by the band Outa Sync. All alumni are invited to attend this special free event, which will be held on the lawn of Longaberger Alumni House, 2200 Olentangy River Road.

Free breakfast will be available for the first 1,000 alumni who show up for this unique home Buckeye Bash. A raffle, giveaways, OSUMC exhibits and a cooking demonstration are also going to be a part of the morning's festivities.

Please bring this email with you to the Bash for your admission as well as for entry into a raffle. Two tickets to the San Diego State football game, and a pre-game tailgate party for 10 people are among the items which will be raffled off during the tailgate party.

For more information, log-on to the OSUAA Web site at www.ohiostatealumni.org.
